Our policy is to offer in the Aftermarket a reconditioned product of superior quality to the current standard.

A quality reconditioned, made with meticulous attention into various working processes and accurate check of the components to be replaced.

With the use of quality spare parts, modern equipments and a qualified staff, we can guaranteed our reconditioned for a period ranging from 6 to 12 months.

All reconditioned products are approved with specials test benches to verify efficiency, calibration and any adjustments.

On all reconditioned products we apply a label that contain our article code, processing date, serial number for the tracking on the time and original code, as indication.

- Exchange program or subcontracting, quickly and efficiently
- Stock warehouse
- Delivery in 24/48 hours
- Solid experience
- After sales support
- Excellent value for money
